2-THREADED
METAL 6-32
HEX. FASTENERS

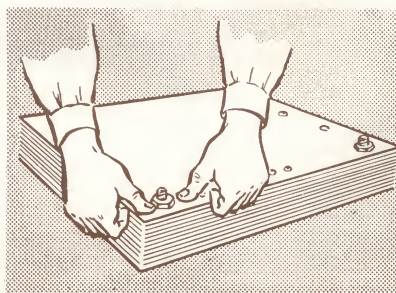

1. Low cost saves you money — only pennies per set.
2. Quickly bound — takes less than 30 seconds.
3. Reduced binder inventory — one 11" x 14 7/8" Compu-Binder is the equivalent of 36 different size binders.
4. Bound sheets are placed in your inactive storage with covers intact. No lost time in transfer.
5. Dead records destroyed with inexpensive Compu-Binders intact.
6. Unburst reports to various departments or field offices may be bound for pennies thereby increasing efficiency and reference speed during life of the report.
7. ELIMINATES binding emergencies because Compu-Binder covers all standard sizes.
8. Flexible polyethylene posts and positive locking clips assure close to margin visibility.
9. Ideal for inactive storage — allows hard back binders to be available for active records.

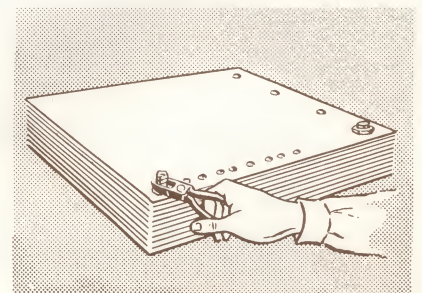

INSTRUCTIONS:

1. Place covers on front and back of forms and run plastic posts through holes.

2. Place hex nut fastener on post and screw down, thumb tight.

3. Cut excess post off flush with top of nut fastener.
